STRENGTHS

★ **Team Work**
This skill shows how effectively you function within a team. If you apply for a job that requires close collaboration with others, this skill may improve the results of your efforts. Employers may require this skill to help ensure your adaptability to new company cultures.

★ **Problume Solving**
How efficiently you solve a problem in the workplace describes your expertise in maintaining a harmonious work environment. Being creative when solving problems shows your capacity to facilitate logical reasoning. Employers may prioritise your application if you can provide a high-quality example of this ability.
